

**OVERVIEW**

# Embedded Talent Acquisition Manager

A seamless extension of your internal talent function. Empower your team to focus on core priorities while we handle the entire recruitment process, from start to finish.

Integrate a dedicated recruitment specialist to manage up to 6 vacancies with a structured, results-driven process that attracts & hires top talent, reduces costs, and accounts for ED&I.

**How It Works & What's Included****Dedicated Talent Acquisition Manager**

You'll be assigned a dedicated Talent Manager who serves as your single point of contact throughout the entire process.

Your Talent Manager possesses recruitment expertise, ensuring a personalised and efficient process.

**Define Your Needs**

Share your key requirements and ideal candidate profile with us.

**Manage up to 6 Vacancies**

Your Talent Manager can tackle multiple concurrent vacancies, effectively managing up to six positions simultaneously.

**Monthly Meetings & Reports**

We keep you informed throughout the process with regular updates and detailed progress reports in monthly meetings. This includes a mid project and end of project meeting and presentation.

**Access to a Client Manager**

In addition to your dedicated Talent Manager, you also have access to a Client Manager who oversees the overall strategy and ensures your satisfaction.

**Key Benefits****Cost-Saving Solution**

Avoid the costs associated with traditional recruitment agencies and in-house hiring efforts. The more roles we help fill the bigger the savings.

**Flexible Options**

Our Talent Manager can seamlessly integrate in to your talent function with minimal fuss.

**Enhanced Candidate Quality**

Access a wider pool of qualified and diverse talent through our extensive network and sourcing strategies.

**Streamlined Process**

Experience a seamless and efficient recruitment journey, minimising disruptions to your workflow.

**Expert Insight**

Benefit from our recruitment expertise and receive insights that are not usually included in contingency recruitment.

**Timeframe:** 6 months minimum
